

## MECHANICAL ENGINEERING DEPARTMENT

### Vision:-

“To develop skilled Mechanical Engineers with practical knowledge.”

### Mission:-

**M-1.** To prepare students with hands-on engineering experience.

**M-2.** To build industry-ready mechanical engineers.

**M-3.** To provide real-world mechanical engineering trainings

**M-4.** To develop practical skill for engineering careers.

## DETAILS OF FACULTY / STAFF TRAINING

### ACADEMIC YEAR 2024-25

| Sr. No. | Name of Faculty / Staff | Details of Training                                               | Duration of Training                              | Organizing Body                                                                                              | Organizing Institute                                                      |
|---------|-------------------------|-------------------------------------------------------------------|---------------------------------------------------|--------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------|
| 1       | S.B. wahule             | Industrial Training on Robotic Process Automation (RPA)           | 20 <sup>th</sup> jan to 24 <sup>th</sup> jan 2025 | NIELT Aurangabad in association with MSBTE                                                                   | NIELT Aurangabad                                                          |
| 2       | A.S. Mitkari            | Industrial Training on Robotic Process Automation (RPA)           | 20 <sup>th</sup> jan to 24 <sup>th</sup> jan 2025 | NIELT Aurangabad in association with MSBTE                                                                   | NIELT Aurangabad                                                          |
| 3       | S.S. Sathe              | Research Conclave on Recent Advancement in Science and Technology | 20 <sup>th</sup> jan 2025                         | Jointly Organized by Maharashtra institute of technology and Dr. Babasaheb Ambedkar Technological university | Maharashtra institute of technology chhatrapati sambhajanagar             |
| 4       | H.P. Kale               | Recent Trends in Mechanical Engineering                           | 23 <sup>rd</sup> jan to 24 <sup>th</sup> jan 2025 | Mechanical Engineering Department Marathwada Institute of Technology polytechnic, chhatrapati sambhajanagar  | Marathwada Institute of Technology polytechnic, chhatrapati sambhajanagar |

|    |              |                                                                      |                                                   |                                                                                                                                                |                                                                         |
|----|--------------|----------------------------------------------------------------------|---------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------|
| 5  | S.S. Sathe   | Recent Trends in Mechanical Engineering                              | 23 <sup>rd</sup> jan to 24 <sup>th</sup> jan 2025 | Mechanical Engineering Department Marathwada Insitute of Technology polytechnic, chhatrapati sambhajnagar                                      | Marathwada Insitute of Technology polytechnic, chhatrapati sambhajnagar |
| 6  | A.R. Umarkar | Enhancing Engineering Skills Using Software                          | 08 <sup>th</sup> Feb to 12 <sup>th</sup> Feb 2025 | Indian society for technical education ,new delhi approved Department of Mechanical Engineering, Ashokrao Mane Polytechnic, Vathartarf vadgaon | Ashokrao Mane Polytechnic, Vathartarf vadgaon                           |
| 7  | H.P. Kale    | Mastering AI and GPT: Unleashing the Power of Intelligent Automation | 10 <sup>th</sup> Feb to 14 <sup>th</sup> Feb 2025 | National Institute of electronics & Information Technology, Aurangabad                                                                         | National Institute of electronics & Information Technology, Aurangabad  |
| 8  | S.S. Sathe   | Mastering AI and GPT: Unleashing the Power of Intelligent Automation | 10 <sup>th</sup> Feb to 14 <sup>th</sup> Feb 2025 | National Institute of electronics & Information Technology, Aurangabad                                                                         | National Institute of electronics & Information Technology, Aurangabad  |
| 9  | D.K. Rathod  | Mastering AI and GPT: Unleashing the Power of Intelligent Automation | 10 <sup>th</sup> Feb to 14 <sup>th</sup> Feb 2025 | National Institute of electronics & Information Technology, Aurangabad                                                                         | National Institute of electronics & Information Technology, Aurangabad  |
| 10 | M.K. Jadhav  | Mastering AI and GPT: Unleashing the Power of Intelligent Automation | 10 <sup>th</sup> Feb to 14 <sup>th</sup> Feb 2025 | National Institute of electronics & Information Technology, Aurangabad                                                                         | National Institute of electronics & Information Technology, Aurangabad  |
