INNOVATOR'S INSIGHT

05 June 2024

Dear Students,

Welcome to the world of innovation, logic, and creativity — the field of Computer Engineering. This is an era where technology is the driving force behind every industry, and as budding engineers, you hold the power to shape the future.

Your journey here is not just about learning programming languages or building systems, but about developing problem-solving skills, ethical values, and an innovative mindset. Stay curious, keep experimenting, and never hesitate to explore new ideas. Remember, success in Computer Engineering lies in continuous learning, teamwork, and adapting to change. The skills and discipline you develop today will open doors to limitless opportunities tomorrow.

Wishing you a productive and inspiring academic journey ahead.

— Principal

INNOVATOR'S INSIGHT

05 June 2024

HOD'S MESSAGE

It gives me immense pleasure to present this edition of our Computer Department newsletter. Our department has always focused on empowering students with strong technical skills and a spirit of innovation. I am proud to see our students actively participating and excelling in various competitions and events at state and national levels. Their achievements reflect their hard work, dedication, and the quality of education imparted by our faculty.

INSTITUTE VISION & MISSION

VISION:

To be recognized internationally for excellence in education and research to benefit the society.

MISSION:

- To create a technology savvy campus to impart value based education.
- To develop an environment to faster technology incubation and relevant R & D.
- To improve the satisfaction level of all stakeholders.

DEPARTMENT VISION & MISSION

VISION:

To produce Computer ethically and technically for the advancement of the society.

MISSION:

M1: To impart skilled education to the students
M2: Inculcating moral and ethical values to serve for the society
M3: To deliver excellent education and resources to help them in their higher studies and carrier.

INDUSTRIAL VISIT

Shreeyash Polytechnic College |
October 13, 2023

On October 13, 2023, final-year
Shreeyash from
College,
Aurangabad, visited Cognizant's
Pune campus for an educational
industrial immersion. Highlights
included:

- Facility tour of their modern development center with collaborative workspaces and innovation labs
- Live demonstrations covering AI, cloud solutions, cybersecurity, and enterprise-level projects

AGerman Tool Room,
Aurangabad

- Date & Participants: A group of engineering students (Diploma) from Shreeyash Polytechnic College visited the Indo-German Tool Room (IGTR), Aurangabad, on February 26, 2024.

GUEST LECTURE

Guest Session by Mr. Shripad Joshi | 2nd February 2024

A thrilling guest lecture on Artificial Intelligence & Machine Learning was conducted on 2nd February 2024 by the eminent expert Mr. Shripad Joshi. Mr. Joshi captivated the audience with real-world applications of AI and ML — from intelligent chatbots and autonomous vehicles to cutting-edge healthcare innovations. Students gained first-hand insights into how these technologies are shaping the future of industries globally.

Guest Lecture on Entrepreneurship Development Speaker: Mr. Santosh Guisinge | 16th February 2024 A highly motivating Entrepreneurship Development Seminar was organized on 16th February 2024, featuring dynamic entrepreneur and motivational speaker Mr. Santosh Guisinge. Mr. Guisinge shared invaluable insights on transforming innovative ideas into successful business ventures. He discussed key topics such as startup fundamentals, funding opportunities, risk management, and leadership qualities essential for budding entrepreneurs.

SWACHH BHARAT MISSION

“Cleanliness is next to Godliness.” It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for clean toilets and integrated waste management to make Gujarat open defecation free, zero waste, dust free, plastic free and green.

FRESHER'S PARTY

The Cultural Committee strives to celebrate the cultural diversity in the college by organizing various competitions, events, activities, programs, in each and every year. The Committee provides various opportunities for the students to relax and to enhance their skills and talents. These are organized by the Coordinator of the Cultural Committee in the college to address the inhibitions and stage fear of the students and these encourage them to open up. The cultural activities play a large role in building the mindset and attitude of the students. While performing specific art forms from other states and regions the students learn to respect the large cultural diversity that India has and the programmes showcase the harmonious relations amongst students

SHASHWATGYAN

A three-day transformational program "SHASHWATGYAN" was successfully conducted at Shreeyash Engineering and Polytechnic College from 18th to 20th January 2024. Led by guest speaker Mr. George, the event motivated 645 students to build strong mindsets, overcome life's challenges, and focus on their goals. The program emphasized creating excellence and empowering students through practical guidance aligned with corporate values. It inspired students to stay fearless, confident, and future-ready. "SHASHWATGYAN" aimed to transform lives by educating, enlightening, and guiding students towards a bright and successful future.

HAR GHAR TIRANGA

Har Ghar Tiranga Movement:
Enthusiastically celebrated by
Polytechnic students and staff.
Independence Day Celebration:
The 78th Independence Day was
celebrated with patriotic zeal.

The 78th
Independence Day was
celebrated with full zeal
at Shreeyash
Pratishthan.

HAR GHAR TIRANGA

A comprehensive Fire Safety Training session was organized to educate staff and students on crucial fire safety practices. The training covered the basics of fire, its classes, common causes, fire hazards, and preventive measures to stop fire incidents at the source. Participants learned what to do if fire catches a person or in case of dense smoke situations. The functions and importance of smoke detectors were highlighted. Techniques on how to extinguish fire and safely evacuate were demonstrated along with proper use of fire extinguishers and fire alarm systems. The training also included hands-on sessions on fire hose reels, gas masks, fire blankets, gum boots, hooks, stretchers, ropes, lock cutters, and other essential safety equipment. Roles and responsibilities of the cordon team, rescue team, and first aid team were clearly defined.
